

- Application No. 10/561,610
- Amendment dated October 17, 2008
- Reply to Office Action dated September 15, 2008

Docket No.: SON-3026/SOH

REMARKS

This amendment is responsive to the Office Action dated September 15, 2008 and received in this application. Applicant appreciates the indication of allowable subject matter for all of the pending claims but for an informality found in claim 8.

Applicant has rewritten claim 8 in independent form, with a format that is believed to be more formally appropriate. Claims 13, 14 and 16-18 have been cancelled without prejudice. New claims 19-25 depend from claim 8 and recite subject matter previously presented in multiple dependent claims, or the cancelled claims, but in a format that is believed to be more formally appropriate.

Applicant respectfully requests reconsideration and withdrawal of the objections to the claims.

This application is believed to be in condition for immediate allowance. If necessary, the Examiner is invited to contact Christopher M. Tobin at (202) 955-8779 to further this application to issuance.

Dated: October 17, 2008

Respectfully submitted,
